ENHANCE YOUR SUCCESS WITH TECSTONE EXPRESS

Tecstone Granite is pleased to introduce our new Tecstone Express program for fast deliveries and production.

KEY PROGRAM BENEFITS

- Minimum of two deliveries per month via Tecstone Express truck via flatbed with forklift unload.
- Free pick ups on repair orders
- Three week turn-around on sandblasting and etching orders as well as repairs.
- Up to eight display units for your showroom
- Free pick up of Tecstone Granite pallets
- Less risk of damaged goods
- No need to be onsite for your deliveries
- Automatic shipping without having to request delivery
- Early access to promotions and exclusive Testone Express offers

VALUE OF YOUR INVESTMENT (\$250 monthly fee)

- Customers averaging two deliveries per month will see an annual savings of more than \$1,000!

Effective Date _____

BSG TECSTONE EXPRESS OHIO MEMBERSHIP

- Monthly charge of \$1,250.00 which will be billed on the first of each month.
 - Can be canceled any time prior to the 20th of the preceding month and cannot be restarted during the same calendar year if canceled.
 - Monthly fee covers all thirteen Ohio locations.
 - Tecstone Granite will provide "free" shipping via common carrier in the event we are unable to deliver timely.
 - Program will allow for delivery of large projects such columbaria, mausolea, and similar projects.
- Free delivery of normal pallet orders. (We use a full-sized flat bed with Piggy Back fork lift)
 - Time is critical for our driver. They need to be in and out ASAP. Please be prepared.
- All items "Ready to Ship" will be sent out for delivery automatically on the next available delivery run.
- Schedule may be adjusted as needed.
 - Delivery days to be determined, you will be notified up to 2 days in advance
- Undamaged "Tecstone" pallets can be returned when truck is making a delivery.
 - Please have them stacked and ready to go.
- Repair Service Pick-up and Delivery
 - Repair jobs can be picked-up for free only when an order is being delivered.
 - Arrangements in advance will be required so that we can properly track your granite. Contact Customer Service with details of the repair. Customer Service will provide an order number for your pick-up - this number needs to be taped to the stone(s).
 - Repair stone needs to be on a pallet and strapped ready for pick up.
