## Conditions of Sale:

**Pricing Structure:** Tecstone's Pricing Structure has changed to a net pricing structure effective February 1, 2014. Further, our prices are subject to change, without notice.

**Payment Terms:** For our customers who sign our credit application and who meet our credit criteria, we will grant them open account terms. (Please note exceptions regarding Special Orders in section 5 below.) On our open account terms, invoices are charged out at the net cost shown in our current price book or on any applicable special quote form. Payment is due within 20 days of the invoice date and this due date is shown on our invoice. If payment is made after the printed due date on the invoice, a 5% service charge will be applied. For legal reasons, we cannot accept post-dated checks. Should a check be returned by your bank for non-sufficient funds, or any other reason, we may add a charge of \$35 to your account.

**Credit Hold:** Customers who have outstanding open balances that are 30 days or more past due are subject to credit hold and COD or CIA terms being applied to the account

**Service Charges/Collection Fees:** Unless prior special payment arrangements have been made, when an account balance is over 30 days old, it is subject to a service charge of 1.5% per month until it is paid. Should collection action become necessary, attorney's fees and/or collection agency charges will be added to the amount due. In the event that a customer's check is returned for non-sufficient funds, a service charge of \$35 will be added to the balance due.

**Special Orders:** At Tecstone Granite, we welcome the opportunity to service your special order requirements. Our in-house production capabilities and our regular deliveries from our factories give us the ability to provide industry-leading service for these orders. In an effort to provide the best possible service and pricing, special order (non-price book) granite items are subject to a deposit requirement of one-half of the net value for it to be processed. In some circumstances, the deposit amount requirement may be increased.

**Order Cancellations.** We understand that occasionally, orders get cancelled. Our policy is to allow customers to cancel orders but these are subject to either a 10% restocking charge, billing for work started, or forfeiture of deposit. Should a given customer cancel an excessive amount of orders, we may change their credit terms to require payment with order.

**Shipping:** Tecstone Granite is a service-driven company. Our goal is to ship our customers their orders within one day after receipt of goods (if special ordered) or after the order are processed (if in stock). The speed of our service can be one of our dealer's greatest assets by allowing them to order Just in Time and thereby cutting inventory carrying costs and risk. We recognize, however, that speed is not always important to our dealers and have therefore adopted a policy of allowing free storage of your orders for a maximum of 30 days after it is ready to ship. Orders not released by the 30 day limit will be subject to a \$.02 per pound per month storage charge. If the order is not accepted within 90 days of being ready to ship, it is subject to cancellation and forfeiture of deposit or a 10% restocking charge, whichever is more. Special arrangements are available for spring and/or other large orders.

**Retention of Title:** Goods that we ship remain the property of Tecstone Granite until paid in full and as such, are subject to repossession should customer default on payment.

**Limitation of Liability:** In the event that Tecstone Granite would fail to supply goods or services that meet the quality and/or delivery requirements of our customers; our liability is limited to the cost of the goods or services provided. In no event shall Tecstone Granite USA be held liable for consequential damages regardless of fault.

**Change in Terms:** We may, at any time and subject to applicable law, change, add, or delete provisions of the Agreement or terminate your account upon notice to you. Unless prohibited by local law, we may apply any Terms Change to outstanding or future balances of your account. Your signature on our account application constitutes your acceptance of our current and future terms. You may cancel your account at any time with no further obligation upon full payment of your account.

**Privacy:** We respect our customer's privacy. Information we collect will not be sold to other firms and will be used only by the owners, affiliates, or contractors of Tecstone Granite for legitimate business purposes such as payment processing, debt collection, and/or marketing.

**Definitions:** Where used for Tecstone Granite USA, Ltd., "we", "our", "us", "Tecstone", or "Tecstone Granite" are all equivalent. Where used for the applicant, "customer", "you", and "your" are all equivalent.

**Prevalence:** These terms and conditions of Tecstone Granite USA prevail over the customers' agreement and/or terms and conditions.

**Succession:** This Agreement will inure to the benefit of and be binding upon the Seller and the Purchaser and their respective successors and assigns.

**Jurisdiction:** This Agreement will be governed by and construed in accordance with the laws of the State of Ohio, including the Uniform Commercial Code and the Seller and the Purchaser hereby agree to be bound to the jurisdiction of the Courts of the State of Ohio.
